Mercer Monument Works is a full-service retail monument company. We take pride in our work which is done by the talented artisans right here on the premises.

We have over 100 monuments, markers, slants and benches on display.

Everything you see on display is available for purchase or we can custom design exactly what you are looking for.

Pre-planning and payment options are available. If you can dream it, we can build it. Let us help you tell your story.

Cleaning and Restoration Services

There is no job too big or too small for that matter. Time, weather, nature and the elements cannot be controlled and the granite gets dirty; off color, moss, lichen covered or even vandalized. We are equipped with the proper tools to restore your monument to a like-new state.

Stick with traditional
